Our Ref 9101038
Re **Collection date for Allied JB Friction, PO AJFPO-22-001276**

Dear Shishir,

If you choose for FCA Roermond then we have following guidelines/instructions, also make sure that your forwarder is informed:

- Attached our safety guidelines. Please make sure that your forwarder always receives these instructions.
- Make sure that you give the right shipment number to your forwarder
- You are the contact person for the forwarder, this means that we have NO contact with the forwarder
- It's your responsibility to inform the forwarder about the number of pallets, weight, address etc.
- Submitting of the VGM is the task of your forwarder. They receive from us the gross weight of the loaded products; the weight of the container has to be added by them
- Opening hours of our warehouse is from Monday-Friday from 7.00-15.00 hours
- Each day approx. 150 trucks have to be loaded in Roermond, so it will happen that your truckdriver has to wait for his turn (which can take several hours)
- The same is valid for generating the documents
- If waiting hours occur then Rockwool is NOT responsible for this, nor do we pay for this
- If the truck does not show up on the agreed day we have to charge you additional handling cost (\$ 5,00 / pallet per day)
- This is the information you receive from us:

The goods are ready for collection on ~~August 18th 2022~~, between 7.00 – 15.00 hrs at :

Rockwool BV

Energieweg 1  **Roermond 7608**
Road sign "Rockwool Ingang West"
6045 JE Roermond NL

Dimension of the pallets; 1200 x 1000 x 1360 mm and they are stackable two on the tops

The truckdriver has to report with **shipment number 7056134** without this number the truck will NOT be loaded.

Kind regards,
Corina Hendriks

Nee liever niet. Want de 8000kg van de 14-08 zijn bestemd voor Aichi (ap opvangen)

Je kunt hem op 17-08 laten afhalen dan zal het zeker klaar zijn.
