Re **Collection date for Allied JB Friction, PO AJFPO-20-001714**

Dear Shishir,

If you choose for FCA Roermond then we have following guidelines/instructions, also make sure that your forwarder is informed:

- Attached our safety guidelines. Please make sure that your forwarder always receives these instructions.
- Make sure that you give the right shipment number to your forwarder
- You are the contact person for the forwarder, this means that we have NO contact with the forwarder
- It's your responsibility to inform the forwarder about the number of pallets, weight, address etc.
- Submitting of the VGM is the task of your forwarder. They receive from us the gross weight of the loaded products; the weight of the container has to added by them
- Opening hours of our warehouse is from Monday-Friday from 7.00-15.00 hours
- Each day approx. 150 trucks have to be loaded in Roermond, so it will happen that your truckdriver has to wait for his turn (which can take several hours)
- The same is valid for generating the documents
- If waiting hours occur then Rockwool is NOT responsible for this, nor do we pay for this
- If the truck does not show up on the agreed day we have to charge you additional handling cost ( \$ 5,00 / pallet per day)
- This is the information you receive from us:
- 

*The goods are ready for collection on **17-12-2020 between 7.00 – 15.00 hrs** at :*

*Dimension of the pallets; 1200 x 1000 x 1360 mm and they are stackable two on the tops*

*The truckdriver has to report with **shipment number 5957513** without this number the truck will NOT be loaded.*

Kind regards,  
Sonja van der Haar

We want to increase the level of security within Rockwool per direct.  
 From 25/5/2015 onwards every driver needs to wear: working shoes, helmet or cap and high-vis-vests during his visit at Rockwool.  
 Our entrance personnel and all other Rockwool employees are going to check and monitor the drivers.  
 We have attached a folder in 8 languages. This folder will be updated soon (with the new obligations being security shoes and cap/helmet, as mentioned above).  
 We have requested all carriers to sign off this document.  
 Also all new 2015-contracts have a new closure where-in we refer to these new obligations.
