(1) Will you please add "Body Fat Percentage" just underneath the line bar (just above the text that says, "Touch Below Icons for More Info" however create the appropriate amount of space.

(2) Will you move this down a bit so the spacing is more in the middle between the text above and the graph.

(3) Can you move the date over to the left a bit within the box and also make the drop down arrow a little smaller and shade of gray instead of a dark black.

(4) Will you please make the color of each of these bars Lean Mass, Fat Mass, and Belly Fat, different shades of the green tone at the top of the page. (starting with the color at the top of the page then making the Fat Mass a little lighter and the Belly Fat a little lighter.
